

Pdf-Annotation (aktuell in Bearbeitung)

Mit der Aktivität **PDF-Annotation** können Studierende Fragen, Anmerkungen und Kommentare in ein PDF-Dokument einfügen. Da alle Studierenden, Lehrenden und Tutor*innen die gestellten Fragen und Kommentare lesen und beantworten können, können offene Fragen zu Vorlesungsfolien, Skripten und anderen Lernunterlagen im PDF-Format gemeinschaftlich, schnell und im konkreten Kontext geklärt werden.

Links auf der PDF-Datei befinden sich die Annotationen, für die es verschiedene Werkzeuge gibt. In der Spalte rechts neben der PDF-Datei können alle Teilnehmer*innen zu der Annotation einen Kommentar verfassen oder auf bestehende Fragen und Kommentare anderer Nutzer*innen reagieren. Alle Kommentare sind für alle Teilnehmer*innen im Lernraum sichtbar. Sie können allerdings optional anonym abgegeben werden. Die Kommentare können Hinweise auf eine wichtige Stelle oder einen Fehler enthalten oder aber eine Frage, die von anderen Studierenden beantwortet werden soll.

Eine tabellarische Übersicht zeigt alle offenen und geschlossenen Fragen aus allen Instanzen der PDF-Annotation innerhalb eines Lernraums und erleichtert so das Auffinden von Fragen und zugehörigen Antworten.

Alle Teilnehmer*innen können sich über neue Kommentare per E-Mail benachrichtigen lassen
